

In 125 words or less, please answer the following questions.

What makes the University of Rochester a good fit for you? In answering, identify your sources of information, including any conversations you've had with Rochester faculty, staff, students, or alumni.

Rochester students represent many different points of view. Each student constructs an independent study and research plan. Describe what you will contribute to Rochester's diversity of ideas, experiences, and identities. If you can, incorporate a positive past experience where you chose your own learning path, or a negative experience where you wanted to exercise more independence.

Have you ever failed any courses? Yes (please elaborate) No
