Getting Here

Maps and Directions
No matter how you plan to travel, you probably want to know the best way to get here. And since visiting a new campus can be disorienting the first time, it helps to know where you’re going once you get here.

The best place to find campus maps is on the UR Maps Homepage, www.rochester.edu/maps. In addition to maps of all University campuses, it has information and pictures for most campus buildings.

Driving
Get turn-by-turn directions from Google Maps by searching for “Joseph C Wilson Boulevard and Elmwood Avenue, Rochester, New York 14627.”

Flying
The University’s River Campus is about two miles from the Greater Rochester International Airport (airport code ROC). Commercial taxi service and car rentals are available from the airport. Cab fare is approximately $10, depending on the number of people and luggage.

A continuous airport shuttle will be available on move-in days from 9:30 am to 1:00 pm and on move-out days from 9:30 am to 12:30 pm.

Bus
For local students, the Rochester city buses stop at several locations on the River Campus, as well as the Medical Center and Eastman campuses. For schedule and bus route information, visit the RGRTA homepage at www.rgrta.org. The Greyhound station is located at 186 Cumberland Street. Schedule and fares can be found by visiting www.greyhound.com.

Train
The Rochester Amtrak station is located at 320 Central Avenue. Taxi and car-rental services are available, and the station is located on the municipal bus line that serves the River Campus. Schedule and fares can be found by visiting www.amtrak.com.

Once you arrive on campus, follow the Pre-College signs.

You’ll want to bring money for printing, laundry, movies, dining out, bus and cab fares, postal service, toiletries, snacks, magazines, weekend trips, and other incidentals. Consider your own personal spending habits and budget when deciding how much money to bring with you to campus.

There is a branch of Chase Bank on campus, as well as Chase and HSBC ATMs. Any money you bring onto campus is your responsibility. Do not keep large amounts of money with you or in your room.

General Information

Dorm Life
Students will be housed in a campus residence hall with a large laundry/vending and study area. Each floor has a lounge and kitchenette with a refrigerator, microwave, and oven. The residence hall is located near the center of campus, including the on-campus dining locations.

Each room is furnished with twin beds, three-drawer dressers, wardrobe closet, computer desks with chairs, bookshelves, and high-speed wireless Internet service. All rooms have basic window coverings for privacy. Students should bring their own linens.

The housekeeping staff cleans the bathrooms and public areas of housing facilities. Students are responsible for cleaning their own rooms and doing their own laundry.

Laundry Facilities
The residence hall is equipped with laundry facilities. Washers and dryers have a nominal charge per load.

Roommate Assignments
We try to make the summer experience as much like a first-year college experience as possible, and part of that experience is learning to live with new people. Therefore, you will share a room with another Pre-College student, and in some circumstances, there may be three students to a room. You are matched with your roommate based on gender, age/grade, and “best fit” characteristics identified through your application paperwork. You will live in a residence hall with other students from the program, where you’ll be able to participate in activities planned by your Pre-College Counselor. Students may be placed in a single room; however, this is rare.

Unfortunately, roommates’ names and home addresses will not be available before the summer program begins. Releasing this information would be inconsistent with the Family Educational Rights and Privacy Act (FERPA) guidelines.

If roommate difficulties arise, the Graduate Head Counselor (GHC) will assist in mediating.
Curfew
Students must check in with their Pre-College Counselor by 11:30 pm Sunday through Thursday and 12:30 am Friday and Saturday. Students must remain on their floor unit until 6 am. Adhering to the check-in policy is the student’s responsibility. Violation of this policy is grounds for disciplinary action and may result in dismissal from the program. This rule is in effect to ensure student safety.

Meals
An on-campus dining plan is included in the program costs. Students will enjoy a wide range of food options at dining halls, coffee shops, and restaurants all over campus. Vegetarian and kosher meals are available at most locations. Upon arrival, students will be issued an ID card, which they may use for dining services on campus. Money left over on a student’s meal plan at the end of the program is nonrefundable.

Room Key
Students will be issued a key giving them access to their dorm room. It is the student’s responsibility to keep their dorm room locked and secure at all times. There is a $125 fee for lost or unreturned keys and/or $50 for conference cards, which will be billed directly to the student at the end of the program. Please be sure to return your dorm room key and conference card (if applicable) at check-out.

Communicating With Students
Mail can be sent and received at the post office in the Todd Union Building. Use the following address to send mail to students:

Name
UR Summer Program Student
c/o Campus Post Office
Rochester, NY 14627-0002

When a package arrives, a notification will be sent to program staff.
Athletic Facilities
The Goergen Athletic Center features an 11,000-square-foot fitness/weight facility, an indoor running track, an indoor swimming pool, tennis courts, squash courts, racquetball/handball courts, and basketball/volleyball courts. Athletic/game items (basketballs, volleyballs, footballs, etc.) will be available for students’ use. Please note: In order for a student to utilize the athletic center, the waiver included in this packet must be signed by both the student and a parent/guardian.

In addition to the athletic center, the River Campus has a number of outdoor recreational facilities, including tennis courts, a 400-meter track, and a softball field. Located alongside the Genesee River, Genesee Valley Park features many jogging trails, golf courses, and recreational playing fields for use by the University community. Students may explore the park grounds when accompanied by Pre-College staff.

Code of Conduct and Discipline / Academic Expectations
Students in Pre-College Programs engage in a challenging academic experience as active participants in the learning process. In order to ensure that Pre-College Programs can be fully dedicated to their academic and educational mission, students are expected to adhere to the Code of Conduct and Discipline/Academic Expectations included in this packet. To confirm acceptance, sign, keep a copy for your records, and return the original via mail, email, or fax within 15 days. A residential student handbook will also be provided upon check-in and reviewed in greater detail during hall meetings.
