The FAFSA submitted for the 2021-2022 academic year indicates that an IRS rollover was reported on your parents’ 2019 federal tax return. Please confirm below the amount of the IRS-authorized rollover amount reported on the return.

For your reference, a rollover is described as the following:

Untaxed portions of IRA distributions are reported as lines 4a minus 4b on the IRS 1040. Untaxed portions of pensions, and annuities are reported as lines 4c minus 4d on the IRS 1040. Sometimes, these amounts are "rolled over" into another qualified IRA, pension, or annuity plan, so these rollover amounts are not actually received as untaxed income. The rollover amount is verified and subtracted from the untaxed IRA distribution amount or untaxed pension and annuity distribution amount, as applicable. The rollover amount cannot be a negative number.
