External Veterans Resources

**One Team One Fight (1T1F)**
One Team, One Fight (1T1F) is a partnership of colleges, universities, businesses, and veteran service organizations in the Greater Rochester Region. 1T1F fosters collaboration among private sector businesses, academic institutions, and other local organizations that serve veterans and their families thereby strengthening the network and enhancing their ability to positively improve the lives of veterans in the Greater Rochester Area.

1T1F is creating a system of comprehensive best practices and services for integration of veterans into civilian life. It supports those veterans and their families across six service areas: education, housing, medical, legal, counseling, and employment assistance.

Should you require assistance in any of these service areas, it is recommended you seek out one of the organizations within the 1T1F network of providers.
