How to register for the Finger Lakes FLL Championship event on December 7, 2014 at the U of R.

Go to the VIMS (Volunteer Information Matching System) https://my.usfirst.org/FIRSTPortal/Login/VIMS_login.aspx

Create a new account or enter your account information.

If you need help with creating an account there is a document link with instructions to create an account.

Once you have created your account and have replied to the response email you can then sign up for an event. Choose the Apply for an event button.

Now you will choose the FLL program and select New York and click Find event.

You will now get the list of all New York events in the system. That you can register for.

Choose the Finger Lakes Championship Tournament.
Now you will need to select a role to apply for. Choose the role and add it to your selections.

If you want to read a role description, click the “Role Description” button under the role selections.

Once you select all your roles (you can choose up to 5 roles to choose from) click the Apply for Selected Roles button.

You will then receive a confirmation email from the VIMS system.

Once your role has been confirmed and assigned by the Volunteer Coordinator, you will receive another email with further instructions.
