One of the many unique opportunities available in undergraduate studies at the University of Rochester is the option to seek a dual degree.

Before deciding if a dual degree program is right for you, please understand that students working toward a dual degree might not finish in the original timeframe they had planned. Students should seek consultation regarding their academic plans with Dean O’Brien, Associate Dean of the College, who serves as an advisor to those pursuing a dual degree. Dean O’Brien can be reached at (585) 275-9069 or at suzanne.o'brien@rochester.edu.

To demonstrate your intent to complete an additional degree within the College of Arts, Sciences and Engineering, please complete this form and email it to admwebhelp@admissions.rochester.edu by June 1 for Fall enrollment and November 1 for Spring enrollment.

Once this form has been received, the following will be requested from the Eastman School of Music: your Eastman transcript, any other college transcripts, and your high school transcript. If you have not completed a year of study at Eastman, official national exam scores will be requested.

The Office of Admissions at the College will be looking for evidence that you have prepared for the academic rigor of a dual degree. Notification regarding your dual degree status will be sent to you via email.

Legal Name: Last (family)    First (given)             Middle (complete)               Jr., etc
