The Rochester Pledge

The University of Rochester is pleased to announce that all qualified, admissible, post-9/11 veterans of the United States Armed Forces admitted to the University will receive the Rochester Pledge.

This scholarship, in combination with the G.I. Bill and any additional University funding, will cover full tuition for veterans with at least 36 months of service who are pursuing their first bachelor's degree. For veterans with less than 36 months of service, the scholarship amount will be pro-rated based on length of service.

The University is proud to offer this scholarship to ensure that those who have served honorably and sacrificed so much for their country face no financial barriers in attaining a higher education.

To be considered for the Rochester Pledge, you must provide your certificate of eligibility. If you wish to be considered for additional assistance, please complete the Free Application for Federal Student Aid (FAFSA) and the CSS Profile.
