**Testing Policy**

Admission to the College of Arts, Sciences and Engineering is based on a holistic review process that includes a test-flexible philosophy. As we seek to enroll a diverse and talented class each year, our review procedures incorporate a variety of factors, including many kinds of academic records. A wide variety of test results can fulfill this requirement.

The University of Rochester is one of America’s leading private research universities. It consistently ranks among the top in federally financed science, engineering, medical, and other research. Along with this rigor, Rochester operates on a personal scale, creating exceptional opportunities for undergraduate research, close work with faculty, and interdisciplinary study. The unique Rochester Curriculum invites students to study what they love with focus and flexibility. Through individual and collaborative efforts, our students and faculty improve themselves, each other, and our shared learning environment in the process.

ACADEMIC OPPORTUNITIES
3-2 PROGRAMS Business, Computer Science, Engineering, Neuroscience, Physics, Physics and Astronomy, and Public Health

COMBINED-ADMISSION PROGRAMS (CAPs) Selective programs for exceptional undergraduates in medicine (REMS), engineering (GEAR), and education (GRADE) that guarantee admission to professional or graduate school upon completion of the bachelor’s degree. Application deadline is December 1.

DUAL DEGREE PROGRAMS Selective programs for exceptional undergraduates in music (DDE) to gain admission to the College and Eastman School of Music to pursue a BS or BA+BM, and in nursing (DDN) to gain admission to both the College and School of Nursing to pursue a BS or BA+BSN. Application deadline is December 1.

KAUFMAN ENTREPRENEURIAL YEAR The KEY program offers selected individuals a fifth year at Rochester to pursue internships, develop a business plan, or study entrepreneurial activity.

STUDY ABROAD More than 70 different Rochester-sponsored opportunities are available in over 35 countries.

TAKE FIVE SCHOLARS PROGRAM Students who wish to pursue broader academic interests can apply for this innovative Rochester program, which allows students to stay for a fifth year of study—tuition-free.

UNDERGRADUATE RESEARCH Opportunities and financing are extensive at entrance, during the academic years, and in summers. All undergraduates have opportunities to do research on their own, in teams, or as part of faculty-directed projects. Students may submit their work to be published in our Journal of Undergraduate Research.
We are committed to meeting the full demonstrated need of all students who earn admission to the College. Financial need can be a contributing factor in our admissions decisions about most international applicants and a small percentage of our US applicants. The Financial Aid Office is available to help you and your family afford the investment of a Rochester education through a combination of different aid programs tailored to meet your calculated need.
