

The **University of Rochester** is one of America's leading private research universities. It consistently ranks among the top in federally financed science, engineering, medical, and other research. Along with this rigor, Rochester operates on a personal scale, creating exceptional opportunities for undergraduate research, close work with faculty, and interdisciplinary study. The unique Rochester Curriculum invites students to study what they love with focus and flexibility. Through individual and collaborative efforts, our students and faculty improve themselves, each other, and our shared learning environment in the process.

Testing Policy

Admission to the College of Arts, Sciences and Engineering is based on a holistic review process that includes a test-flexible philosophy. As we seek to enroll a diverse and talented class each year, our review procedures incorporate a variety of factors, including many kinds of academic records. A wide variety of test results can fulfill this requirement.

Veterans and Military Families

The University of Rochester has been a participant in the Yellow Ribbon Program since 2009. Veterans and dependents with 100% entitlement for Post-9/11 GI Bill will have tuition paid through a combination of VA funding, Yellow Ribbon, and Rochester Pledge.
