The FAFSA submitted for the 2018-2019 academic year indicates that a rollover was reported on your parents 2016 federal tax return. Please confirm below the amount of the IRS-authorized rollover reported on the return.

For your reference, a rollover is described as the following:

Untaxed portions of IRA distributions are reported as lines 15a minus 15b on the IRS 1040 and lines 11a minus 11b on the 1040-A. Untaxed portions of pension and annuity distributions are reported as lines 16a minus 16b on the 1040 and lines 12a minus 12b on the 1040-A. Sometimes, these amounts are "rolled over" into another qualified IRA, pension, or annuity plan, so these rollover amounts are not actually received as untaxed income. The rollover amount is verified and subtracted from the untaxed IRA distribution amount or untaxed pension and annuity distribution amount, as applicable. The rollover amount cannot be a negative number.
