The University of Rochester is one of America’s leading private research universities. It consistently ranks among the top in federally financed science, engineering, medical, and other research. Along with this rigor, Rochester operates on a personal scale, creating exceptional opportunities for undergraduate research, close work with faculty, and interdisciplinary study. The unique Rochester Curriculum invites students to study what they love with focus and flexibility. Through individual and collaborative efforts, our students and faculty improve themselves, each other, and our shared learning environment in the process.

ACADEMIC OPPORTUNITIES

CERTIFICATES
The College currently offers certificate programs in Actuarial Studies, Biophysics, Biotechnology, Literary Translation Studies, Mathematical Modeling in Political Science & Economics, Medphysics, Polish & Central European Studies, and Stage Management.

CITATIONS
The College offers citation programs in Community-Engaged Scholarship and Achievement in College Leadership. These programs allow students to develop leadership skills through academic study coupled with specific practical application.

COMBINED DEGREE PROGRAMS
For students interested in medicine (REMS), engineering (GEAR), education (GRADE), or public health (HEAL), the College offers selective programs for exceptional undergraduates that guarantee admission to professional or graduate school upon completion of the bachelor's degree. Students interested in music (DDE) may gain admission to both the College and Eastman School of Music to pursue a BS/BA plus BM. Students interested in nursing (DDN) may gain admission to both the College and School of Nursing to pursue a BS/BA plus BSN. For details, visit enrollment.rochester.edu/professional-degree-programs.

e5 PROGRAM
The e5 Program offers selected individuals a fifth year at Rochester to pursue internships, develop a business plan, or study entrepreneurial activity.

STUDY ABROAD
More than 70 different Rochester-sponsored opportunities are available in over 35 countries.

TAKE FIVE SCHOLARS PROGRAM
Students who wish to pursue broader academic interests can apply for this innovative Rochester program, which allows students to stay for a fifth year of study—tuition-free.

UNDERGRADUATE RESEARCH
Opportunities and financing are extensive at entrance, during the academic years, and in summers. All undergraduates have opportunities to do research on their own, in teams, or as part of faculty-directed projects. Students may submit their work to be published in our Journal of Undergraduate Research.
ADMISSIONS & FINANCIAL AID DEADLINES
Due by 11:59 pm ET on deadline listed below.

*Applications received prior to this date will be given the strongest consideration for admission and merit scholarships. Combined Degree Programs (REMS, GEAR, GRADE, HEAL, DDE and DDN) maintain earlier Regular Decision deadlines, for specific dates visit enrollment.rochester.edu/deadlines-decisions

APPLYING TO THE UNIVERSITY

The University of Rochester employs a holistic application review process to identify curious, capable, and engaged students. We seek to understand each applicant’s academic ability, extracurricular engagement, and ethical character in order to determine their ability to improve both their campus and the world around them. We are a diverse institution that values equality of opportunity and honest, respectful examination of ideas. We seek young leaders who will celebrate and protect the values of our University and join us in making the world ever better.

Apply online through the Common Application or the Coalition for College Application. For details, visit enrollment.rochester.edu/how-to-apply.

Testing Policy

Admission to the College of Arts, Sciences and Engineering is based on a holistic review process that includes a test-optional philosophy. This review process incorporates a variety of factors, including many kinds of academic and non-academic factors and realizes that standardized tests may not be an accurate reflection of a student's abilities. Through our test-optional approach, applicants may decide for themselves which exam, if any, is an accurate representation of their ability and potential for future success. The University will continue to review and consider test scores for those applicants who decide to submit them. Applicants choosing to not submit standardized tests will not be at a disadvantage nor will it negatively impact their application review.

Veterans and Military Families

The University of Rochester has been a participant in the Yellow Ribbon Program since 2009. Veterans, spouses, and dependents with 100% entitlement for Post-9/11 G.I. Bill® will have tuition and mandatory fees paid through a combination of VA funding, Yellow Ribbon, and Rochester Pledge. At this time, the University is not limiting their number of Yellow Ribbon participants. All admitted students who are eligible will automatically qualify.

FINANCIAL AID

We are committed to meeting the full demonstrated need of all students who earn admission to the College. Financial need can be a contributing factor in our admissions decisions about most international applicants and a small percentage of our US applicants. The Financial Aid Office is available to help you and your family afford the investment of a Rochester education through a combination of different aid programs tailored to meet your calculated need.

Financial Facts

| First-year students receiving any financial aid | 81% |
| Students receiving non-need based scholarships exceeding their calculated financial need: | |
| First years | 14% |
| Transfers | 6% |
| For the 2018 graduating class: | |
| Borrowed federal student loans | 45% |
| Average federal loan debt at graduation | $22,318 |
| Cost of attendance for 2019-20: | |
| Tuition and fees | $56,030 |
| Room and board | $16,548 |
